Dear Innovation Supporter,

You are invited to participate at our next event “Fueling your future” on the **8th of December** from **10:00 to 12:00** at **Universitatea Petrol-Gaze, Ploiesti**. During this event, both startups and corporations will showcase the perks and opportunities that come along with working in the entrepreneurial environment.

Why participate?

Taking advantage of networking opportunities by getting in touch with mentors and leaders.

You can learn about the details of working in an attractive environment, while also gaining insights into the industry.

You have the chance to become part of a local innovative company or a leading global player’s team.

Level up your career with Microsoft's transformative courses! From AI to cybersecurity, we've got the tools you need to thrive in the digital era. Seize the opportunity to access Microsoft's certificates at a discounted price. Don't just keep pace - set the pace. Your journey to expertise starts today!
